Principal's Message:

I hope you and your children enjoyed the half term holiday. Your children certainly deserved the break, they had worked so hard during the first term.

During the holiday the Academy has had a deep clean, our main corridor painted and two classes (Faroës and Shetland) have also been decorated. Our aim this year is to have all classes repainted.

We have lots of exciting learning opportunities for this coming term. Not to spoil any surprises, but we have some nocturnal visitors arriving in the second week of term and in the third week of term we have some astronaut adventures.

As soon as we can we will inform you of our Christmas events. We will also be starting our parent workshops this term - dates to follow very soon.

As always if you want to share anything with us please do, we are keen to work with you to make your learners have the best education we can provide.

Please follow us on Twitter and visit our ever changing website.

From **Mrs C May**.

Remember our target for
2018-2019 is 96%
