

# What we were learning about last term...

In Autumn Term 1 our first topic was 'All about me'. We were learning about the area we live in and all about our friends and family. We went on a walk around our local area, using our senses to see what we could find!

Our second topic was 'Dinosaurs' and we were very excited about this. We went on a trip to see Dinosaur World Live! We met lots of different dinosaurs which we described in our recounts back at school. We also had a visit from a huge T-Rex, he had left a big mess in our classroom, so after we tidied up we wrote a police report and poster to help try and find him!
