

ACADEMY; Danesholme Infant Academy, CORBY	SECTION/TEAM	DATE OF ASSESSMENT: 10.07.2020
WHO MIGHT BE HARMED? Employees, pupils, parents/guardians, service users, contractors and members of the public. NB for ease of reading pupils and young people are referred to as pupils in this document. Unless specifically stated the controls apply to all pupils attending the academy		HOW MANY ARE AFFECTED? 300

***This risk assessment is a TEMPLATE and must be altered to ensure it is suitable for the academy.** Statements are therefore generic and can be added to, altered, changed or deleted as appropriate. Once completed, all staff must read this document and complete the MS form to confirm they have read and had an opportunity to ask questions before they return to their normal work..

This risk assessment has been revised to reflect updated guidance from the Department for Education (DfE) published on 2 July 2020. In particular academies must ensure that at all times they comply with the basic requirements of the guidance (in italics) to:

- 1) *minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptom, or who have someone in their household who does, do not attend school*
 - 2) *clean hands thoroughly more often than usual*
 - 3) *ensure good respiratory hygiene by promoting the ‘catch it, bin it, kill it’ approach*
 - 4) *introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach*
 - 5) *minimise contact between individuals and maintain social distancing wherever possible*
 - 6) *where necessary, wear appropriate personal protective equipment (PPE)*
- Numbers 1 to 4 must be in place in all schools, all the time.*
Number 5 must be properly considered and schools must put in place measures that suit their particular circumstances.
Number 6 applies in specific circumstances.

Response to any infection:

- 7) *engage with the NHS Test and Trace process*
 - 8) *manage confirmed cases of coronavirus (COVID-19) amongst the school community*
 - 9) *contain any outbreak by following local health protection team advice*
- Numbers 7 to 9 must be followed in every case where they are relevant.*

In addition and in respect of all Health & Safety Risk Assessments Principals are responsible on behalf of the Trust for ensuring at all times that they have ‘active arrangements in place to monitor that the controls are:

- effective
- working as planned
- updated appropriately considering any issues identified and changes in public health advice’

Once completed this RA and any other relevant RAs must be posted on the Academy’s website. Parents and carers can access more Government information [here](#)

Principals must advise the Trust immediately if they are concerned that controls are not operating as designed

This document should be read in conjunction with the Trust document ‘COVID-19 Revised Operating Procedures’
